MEMORANDUM FOR: General Carter ~~W~~

SUBJECT : RDRB Meeting, 14 June 1963

1. Art Lundahl telephoned to ask:

a. If you still plan to schedule at the next RDRB Meeting (Friday, 14 June) a presentation by him on S&T developments in the photographic field?

Yes

*If other members have not seen NPIC, they may want to at this time - check them*

b. If yes, do you prefer the presentation to be here or at NPIC? (Comment: Art says he can perform as well here as at NPIC.)

25X1

25X1

*yes*

c. Do you mind Art bringing in on the presentation cleared outside consultants to hit specialized points on which they are especially qualified to speak. They will be present only for the portion in which they speak.

OK

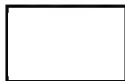

*NPIC*

2. Since you have indicated a desire to further discuss the bio-electronics project with the RDRB members, you may wish to postpone Lundahl's presentation so you can discuss this and other items, possibly the establishment of the Kinzel Board, with the committee members.

NO

25X1

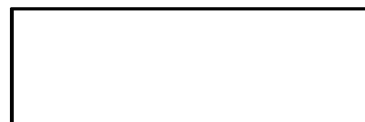

*no*

3. I plan, with your approval, to hit <sup>my</sup> 20th reunion starting Friday noon. Shall I arrange for someone to take minutes at the meeting?

Yes

*Budget meeting?*
